## **AD Rundle Middle School Integrated Arts & Technology Cohort (6 – 8)**

The Chilliwack School District is pleased to offer an Integrated Arts and Technology opportunity at AD Rundle Middle School beginning September 2020 for students in grades 6 - 8.

An integrated arts and technology approach encourages curiosity, open-mindedness, and a willingness to think “outside the box” within an interdisciplinary, collaborative learning environment.

This cohort precedes the opening of the new Integrated Arts and Technology Secondary School (September 2021). Students enrolled in the ADR Cohort will have the opportunity to transition directly to the new Integrated Arts and Technology Secondary School in grade 9.

Registration opens Monday January 20, and will close on March 31<sup>st</sup>, 2020. Please visit <https://sd33.bc.ca/integrated-arts-and-technology-k-12-program> to register and for further information.
