Principal's Report

February-March grade 6 students had their basketball season. It was really busy in the gym with a great deal of parent support. Badminton and track season has now started. Our archery trained staff have started the final step of their training taking a group of grade eights through archery. We're really starting to see a lot of interest in it and are sure that the club will be a big hit one staff training has been completed.

Next week is our annual cake auction where students will fundraise to purchase one of the cakes made. All proceeds go to Cancer Research.

At the end of the month we will have a spring spirit week please stay tuned to Viper Voice for all the different spirit outfits.

Staffing for next year will remain consistent as we are up 10 students from our current numbers. Unfortunately, this year we do not have anybody retiring so at this point it is planning for the intake of our incoming grade fives and our outgoing grade eights.

Teachers are currently planning for cultural day which we've moved to May 5th and Saint Jean Baptiste day in June. They are asking for some parent support in food delivery.

May 13th is grade 5 open house. The support of a PAC table would be very helpful.

Every parent/guardian is automatically a member of Vedder Middle School PAC but you can also join the Executive. Being part of the PAC Executive is a wonderful opportunity to meet other parents, and make a positive impact in our school community. Your unique perspective and ideas can help shape the future of our school and enhance the learning experience for all of our students. Every year the PAC Chair, Vice Chair, Secretary, Treasurer, and DPAC roles are open to nomination. You can nominate yourself or another parent/guardian who you believe would be a great fit for one of these roles (they have to accept the nomination). The commitment is only a few hours per month. To learn more about the roles, responsibilities and time commitment or to nominate yourself please email vms-pac@sd33.bc.ca

- Reminder: Hot lunch: Parents, please remind your child if they have ordered hot lunch as it cuts down on the confusion of kids thinking they ordered but actually didn't. If students have any issue relating to hot lunch day of, please find one of the hot lunch parent volunteers who will help sort it out immediately. It is hard to rectify the situation after the fact.
